College with Potential for Excellence by UGC, New Delhi
("A" Grade College by NAAC)

MBA
2016

Imparting Quality Education,
Enriching Lives

From the Principal's Desk

It has been a wonderful and fulfilling journey for last 8 years of my MBA Department .it is now shaped up to a full fledged department with our young women, soon to be future managers , taking their stride towards the corporate world with guidance of our faculty.

I would like to share a few interesting facts about Business Management Programme which offers Master degree level education with dual specialization in the areas viz Finance, Marketing , Human Resource.

I have been seeing immense enthusiasm among girls since 2008, when the course started. Our motto was to increase placement opportunities for our students for whom professional education becomes a very positive sector. Towards this end we offer several facilities for our students like Hostel, Library , Computer Lab., Opportunities for attending National & International Seminars and Workshop., and our vision extends to providing more opportunities for our students in a years to come.

It gives me immense pleasure to offer an MBA course for girls only and it is our sincere effort to contribute to women empowerment in this tribal region.

Dr. Shukla Mahanty
Principal

Our MBA Programme
